

ROYAL ASCOT

Tuesday 17th June to Saturday 21st June 2008

ACCESS INFORMATION FOR LIMOUSINE OPERATORS

We want the start of your visit to Royal Ascot to be as straightforward as possible. Therefore, this leaflet has been produced to ensure the journey to the Ascot Limousine park runs smoothly. Due to the complex nature of the traffic plan for Royal Ascot, and the one-way system that is operated, a separate plan is required to route all cars to Limousine Park 8 on the Heath.

Other important points to note:

- Vehicles may not exit the Heath until the arrival phase is complete.
- Labels **must** be purchased in advance by calling 0870 727 1234 or visiting ascot.co.uk. Labels cost £70 including VAT per vehicle per day.
- Limousine labels will be carefully checked upon arrival.
- Labels are not transferable. If this is found to be happening, we regret that limousine companies will be barred from purchasing labels for Royal Ascot in the future.
- Strictly no PA Systems, discos or loud music.
- No Barbeques.
- All Car parks are to be clear and close promptly at 9pm.

Allow plenty of time for your journey. Always follow the temporary signage and do not use satellite navigation systems. We recommend that you arrive before 12pm. Full parking information can be found at ascot.co.uk

PLEASE MAKE SURE YOUR LIMOUSINE DRIVER(S) REMEMBER TO BRING THIS INFORMATION LEAFLET WITH THEM.
